Dear 

## Legislation: Freedom of information Act 2000.

Thank you for your request for information. The Council has dealt with this under the Environmental Information Regulations 2004 due to the type of information that you have requested.

In respect of correspondence between the Council and  we do hold one letter, but the Council considers this exempt from disclosure under Regulation 12(5)(f) on the basis that the release of the information could have an adverse impact on the supplier of the information. The Council has considered the public interest in disclosure and considers that the balance lies in favour of the information being withheld. We do not hold a letter on file regarding the property being unsuitable as living accommodation.

If you are not satisfied with the way in which your request for information has been dealt with, please write to the Council's Legal Services Manager who will conduct a review. If you remain dissatisfied, you may write to the Information Commissioner's Office for a decision.

Yours sincerely
