Margaret

Please find the enclosed questionnaire - the following question on row 8 of the spreadsheet can be answered but would take way beyond 18 hours to collate - the question is
'Number of items collected'

I have asked Emma Godding about this and she recommends that we include the following paragraph in the reply:-

'The enclosed spreadsheet has been completed with the exception of the information you have requested in relation to the number of items collected; this will take in excess of 18 hours of officer time to comply with. The Council therefore considers the information exempt from disclosure in line with Section 12 of the Freedom of Information Act 2000. If you can significantly reduce the scope of your request, please resubmit it and we will reconsider it.'

Thanks Margaret
