Re: Freedom of Information Request, section 106 agreements

Thank you for your letter of the 25th July, received on the 26th July concerning section 106 agreements agreed by Stroud District Council. This request is being handled under the Freedom of Information Act 2000.

At present, Stroud District Council do not hold this information in a format directly compatible with your detailed request. From our preliminary assessment, we estimate that compliance with your request would exceed the appropriate costs limit under section 12 of the Freedom of information Act 2000. This is currently £450, whereupon special research and reports would be necessary.

Rather than fully refusing your request at this stage, I have provided a table (attached) of all Section 106 agreements for planning decisions made from 1st March 2006 onwards to today's date. Please note that the individual developments detailed will all be at different stages of construction, the legal Section 106 agreements for which will consequently be at different stages of implementation. Using the planning reference number provided, you are most welcome to then access further information on the relevant section 106 agreements using our on-line information service, which can be found at: www.stroud.gov.uk/planning

I hope this information is of use to you. If you are dissatisfied with the way in which your request for information has been dealt with, please write to the Legal Services Manager for a review. If your complaint is not resolved to your complete satisfaction, you may write to the Information Commissioner's Office for a decision.

If you have any further queries please do not hesitate to contact me as detailed above.
