

You can help Stratford Park even more by becoming a member of 'Friends of Stratford Park'.

- You will be kept up to date with news of the park, events, community activities, wildlife, etc.
- You may like to assist in the park itself, with practical hands on involvement.
- There are a number of ideas for the future of the park such as the provision for attracting more wildlife, restoring the walled garden behind the museum, more educational and community events, walks and trails.

If you would like to be a Friend of Stratford Park, please fill in the details below:

A Park for the People

Stratford Park

The Green Flag is awarded every year. It sets the standards for parks and green spaces in England and Wales, recognizing and rewarding those of the highest quality.

The environment, management, conservation, community involvement, and sustainability are among the many things judged. Stratford Park, building on its success in previous years, is again among this year's winners.

The current award acknowledges the park's high standards and the far-reaching plans for its future development.

These are outlined in Stroud District Council's Five Year management Plan for the Park. Its main thrust is the philosophy of the 'whole' park – a collection of many different attractions that combine in one wonderful resource. There is something for everyone, at any time of the year at Stratford Park.

Your Park

Stratford Park is your park. You are a partner in its future. It cannot continue to flourish without your support.

Over the centuries there have been many changes to the place we now know as Stratford Park, but it has kept its unique character and historical integrity. Conserving this remains a priority for those who manage it. All of the many diverse things that happen at Stratford park are so much the better for the setting in which they take place.

But the park must also adapt to the demands of those who use it today, providing modern facilities in keeping with the times, recognizing the different needs of its visitors, responding to change, locally, nationally and global. You can help us in this.

Attached to this leaflet is a simple tear off questionnaire. If you could find a few moments to fill it in, that would be greatly appreciated.

Return to the Leisure Centre, Museum or by post to Stroud District Council, Public Spaces Service, Ebley Mill, Stroud, Glos GL5 4UB

The park's beautiful landscaped grounds provide a wonderful setting for sport, recreation and leisure.

How can you help?
