Background

- Strategy & Resources Committee – 23 May is changed to the 13 June due to the European Parliamentary Elections taking place on the 23 May
- Audit and Standards Committee – July Committee meeting needs to be rescheduled to the following week to allow External Audit to complete some work and an additional meeting is also required in November for treasury management reporting.
- Environment Committee – provisional date to discuss the Local Plan (if required).
- Council – January Council (Budget) will be merged with February Council (Ctax). After consulting with Tenant Services and Revenue & Benefits, Council in February must be held during half term to allow for Gloucestershire County Council to set their Council Tax rates and to give Tenant Services enough time to send rent increase letters.

An additional meeting of Council is also required in December to close the gap between Council meetings between October and February. Community Services and Licensing, Environment and Strategy and Resources Committees in December were impacted by the amendment to Council meetings and needed to be changed to reflect this.
