## 1.0 Background

- 1.1 Governance comprises the systems and processes, and cultures and values, by which local government bodies are directed and controlled and through which they account to, engage with and, where appropriate, lead their communities.

- 1.2 The Council is required by the Accounts and Audit Regulations 2015 to publish an Annual Governance Statement, in accordance with '*proper practices*' in order to report publicly on the extent to which we comply with our own Local Code of Corporate Governance. This approach includes how the Council has monitored the effectiveness of arrangements in year and on any planned changes to governance arrangements in the coming year. Through the Council's Constitution, the Audit and Standards Committee has responsibility for review and approval of the Statement.
- 1.3 Members approved the Council's Annual Governance Statement 2018/19 (including the Annual Governance Statement 2018/19 Improvement Plan) at the 25<sup>th</sup> July 2019 Audit and Standards Committee meeting.
- 1.4 This report is the first update presented to Members on the Council's progress (detailed in **Appendix A**) against agreed actions from the Annual Governance Statement 2018/19 Improvement Plan.
