

Parking Information

Car parking at Ebley Mill is limited we suggest you arrive a few minutes beforehand and use the overspill visitor car park which is Victory Park Car Park off Church Road off Westward Road (B4008). Satnav postcode GL5 4LH. Please see overleaf for map.

General Course Information

Courses to be held in our well-equipped training room at Ebley Mill Stroud.

Full day courses cost £61 per person per course. Half day courses cost £37. Payment is required at the time of booking.

Full day courses last approximately 6 hours and conclude with a short multiple choice examination, leading to a nationally recognised certificate. Tea/coffee provided on all courses. On a full day course lunch can be purchased from one of the nearby cafes on Ebley Wharf, or bring along a packed lunch.

NB: Courses may be cancelled if insufficient numbers enrol, in which case a full refund will be given.

On-site Training

If you have a number of staff requiring training we can deliver courses at a venue of your choice. Whilst we can provide all the necessary training aids the room must offer a suitable learning environment and delegates must be present throughout the course. You should make your own arrangements for refreshments and, if necessary, lunch.

Cost: £377 per day plus £10 per candidate.

Booking

To secure your booking please call our Business Support team on 01453 754473.

Booking Terms and Conditions:

Payment for all courses must be made at the time of booking - cash, cheque or debit/credit card. Cancellations received less than 7 days before a course will be charged at the full rate.

Food Hygiene for Food handlers

A one day course, designed to meet the food hygiene training requirements for food handlers in catering and retail, leading to the Chartered Institute of Environmental Health (CIEH) foundation certificate in food safety.

Thursday 30th January 2020

Thursday 2nd April 2020

Thursday 4th June 2020

Thursday 3rd September 2020

Thursday 29th October 2020

Thursday 10th December 2020

Learning outcomes

Firm grasp of the importance of food safety systems, techniques and procedures; Understanding of how to control food safety risks (personal hygiene, food storage, cooking and handling); Confidence and expertise to safely deliver quality food to customers.

Principles of Fire Safety

This practical course explains how fires occur and how the risks can be controlled. The various types of fire extinguisher are described and how they can be used to tackle different fires.

Thursday 23rd April 2020

Tuesday 17th November 2020

Health & Safety in the Workplace and the Principles of Risk Assessment

A one day course, leading to the Chartered Institute of Environmental Health (CIEH) foundation certificate in occupational health and safety. This course is ideal for those who want to develop knowledge of health and safety issues in the workplace and how to carry out risk assessments. The course explores the main causes of accidents and ill health; the legal requirements and the main principles of risk assessment including:

- Hazards, risks and control measures
- The five steps of risk assessment
- The hierarchy of control
- Risk assessment review and record keeping

Thursday 19th March 2020

Thursday 1st October 2020

Dealing with Violence and Aggression

This half day course aims to equip front line staff with the practical skills and awareness required to recognise the causes of aggressive behaviour and help diffuse potentially violent situations.

Monday 27th January 2020

Wednesday 29th April 2020

Wednesday 14th October 2020
