Subject: Stroud District Local Plan

Thank you for your consultation in respect of the above. FoDDC (Forest of Dean district Council) welcome the Plan and support its objectives.

FoDDC and Stroud have a common objective (your first priority issue) in respect of climate change which is supported. The Severn Estuary and the Severn Vale generally brings some common issues and we look forward to continuing joint working on common matters especially the Recreation Strategy.

FoDDC will be pleased to comment further as the Stroud Plan progresses.
