Dear sir or madam

I am writing to say as someone who lives [REDACTED]
[REDACTED], I think it would be extremely dangerous to have a large number of extra cars, from an additional twenty houses, going up and down the lane to access the main A46 road, with children getting in and out of cars parked alongside the play area and also turning round. It would be an accident waiting to happen.
I hope you will consider this fact very carefully, and do your research when school is "out", plus during the rush hour from 3.30pm onwards.

Yours faithfully
