Dear SDC,

I have made a correction to the document just sent. Please use this version. Sorry for any inconvenience.

I attach my comments regarding the Stroud local plan as a Word file.

Please let me know if you have any problems reading the file.

I wish and request that all my comments in the file are forwarded to the Planning Inspector unless at that stage I have been able to submit a fresh document which will be submitted instead.

I will try to do the survey questions too but will not add my comments there. If this is awkward for you and you cannot process both email and survey, please disregard my survey response. Of the two, please give priority to my email response.

Thank you!

Best regards,

[REDACTED]
