Dear Sirs / Madam

Re :- DRAFT LOCAL PLAN - SITE PS29.

First of all, can we say we are pleased to hear that the above site has been removed from the local plan.

May we refer you to our previous letter of 18-12-2018 listing our reasons for objection to any development of this site. Reasons being :-

- 1) More traffic passing through Duralay causing further congestion.
- 2) It would spoil the views both short & long distance. It is fine agricultural land with many species of wildlife (AONB)
- 3) There is a lack of industry which means people would need to commute to work.
- 4) Are there not enough brownfield sites that can be used?
- 5) At the last meeting concerns were raised about the water problems affecting the Darnham site (Uley Road).

We would wish you to reject any development on
this land.

Yours Faithfully
