8-1-2020.

Dear Sir/Madam.

I am writing in connection with planning permission at Wisloe.

I have lived in Stainbridge for 55 years - 51 of those at Wisloe.

My late husband was born at 206 and worked on his family farm for many years; later we took on the tenancy at Wisloe and farmed it, later buying [redacted] where I still live.

I must be the longest resident here, I strongly object to these houses, taking away valuable farming land & spoiling our countryside.

There would be extra traffic,

pollution, the sensors would not be able to cope. Plus flooding.

Please reconsider these plans.

Hope you will keep me informed.

Yours Sincerely
