

## **State Aid Declaration – Local Restrictions Support Grant Scheme**

### **Confirmation of State aid received under the Covid-19 Temporary Framework for UK Authorities scheme**

Following the outbreak of the Coronavirus, the European Commission has approved schemes to aid businesses affected by the Coronavirus outbreak on the basis of their Temporary Framework, including the COVID-19 Temporary Framework scheme for the UK.

The maximum level of aid that a company may receive is €800,000 (€120,000 per undertaking active in the fishery and aquaculture sector or €100 000 per undertaking active in the primary production of agricultural products). This is across all UK schemes under the terms of the European Commission's Temporary Framework. The Euro equivalent of the Sterling aid amount is calculated using the Commission exchange rate applicable on the date the aid is offered.

Any aid provided under this scheme will be relevant if you wish to apply, or have applied, for any other aid granted on the basis of the European Commission's Temporary Framework. You will need to declare this amount to any other aid awarding body who requests information from you on how much aid you have received. You must retain this letter for four years after the conclusion of the UK's transition from the EU and produce it on any request from the UK public authorities or the European Commission.

Aid may be granted to undertakings that were not in difficulty (within the meaning of Article 2(18) of the General Block Exemption Regulation) on 31 December 2019, but that faced difficulties or entered in difficulty thereafter as a result of the COVID-19 outbreak. This undertaking in difficulty test does not apply to small and micro undertakings (less than 50 employees and less than EUR 10 million of annual turnover and/or annual balance sheet) unless they were already in insolvency proceedings, have received rescue aid that has not been repaid, or are subject to a restructuring plan under State aid rules

This aid is in addition any aid that you may be have received under the De Minimis regulation allowing aid of up to €200,000 to any one organisation over a three fiscal year period (i.e. your current fiscal year and previous two fiscal years), and any other approved aid you have received under other State aid rules, such as aid granted under the General Block Exemption Regulation.

**You must declare all retail relief claimed in the last 3 years and any business rates grants you have claimed or intend on claiming. Other reliefs and grants may also be classed as state aid, please refer to [www.gov.uk/guidance/state-aid#what-is-state-aid](http://www.gov.uk/guidance/state-aid#what-is-state-aid)**

**You must also declare these.**
