CORE COMPETENCIES

1. Effective Communication

You will be able to communicate clearly and effectively with a diverse range of people.

You can vary your communication dependant to your customer, using effective listening with the ability to persuade and influence where appropriate.

2. Customer Service

You are able to deliver the highest quality of service to our customers, both internal and external.

You will strive to deliver a consistently high quality service, with commitment of understanding and meeting their needs, in line with policies.

3. Working Together

You will be able to work co-operatively with colleagues and partners to achieve results and develop good working relationships.

You will be able to focus on the development of yourself and colleagues in order to enhance performance, motivation and ability to change.

4. Innovating

You will be able to seek better, more effective ways of delivering services.

5. Accepting Change

You will be able to adapt to new work challenges and situations, adopting a positive attitude to change.

6. Supporting the delivery of SDC priorities

You will be able to demonstrate an understanding of and commitment to the Council and its Services.

You will be able to demonstrate how your work supports and meets the needs of the service.

7. Equality and Diversity

You will conduct yourself in a manner which demonstrates 'equality' in the workplace: respecting peers and valuing people as individuals. You will ensure the workplace is free from discrimination, respecting choice and everyone's right to have their own beliefs. You will show you appreciate 'diversity' through the added value of individual differences and varied experiences.
