Member Question to Housing Committee

Question from Cllr Stephen Davies

Can I have a breakdown by Year since 2016, of the number of Affordable Houses built by Stroud District Council and how many of these were net new? Can I also have a total number of properties that SDC owned in 2016 and own in 2020?

Reply

Across these 5 years the Council's new build programme has delivered:

In 2016/17	a total of 78 new homes	of which 49 were additional (net new)
In 2017/18	a total of 36 new homes	of which 23 were additional
In 2018/19	a total of 8 new homes	all 8 were additional
In 2019/20	a total of 11 new homes	of which 3 were additional
In 2020/21	a total of 5 new homes	of which 1 was additional
5 Yr Total	138 new homes	of which 84 were additional

The total number of properties that SDC owned including shared ownership properties at 31st March 2016 was 5117 and at 31st March 2020 was 4991.
