Paying Your Bill

Your bill is payable over 10 or 12 monthly instalments starting in April each year and unless you pay by direct debit is due on the 1st of each month. For yearly or half-yearly payments, you must either pay the full bill by 1st April or half by 1st April and the rest by 1st September. Should you be paying less?

Depending on your circumstances, it may be possible to get a discount or an exemption on your Council Tax bill, or you may be eligible for Council Tax Support.

Discounts, Disregards and Exemptions

A 25% discount can be awarded when there is only one adult resident in a property. Some people such as students can be disregarded when calculating Council Tax and if this then leaves fewer than two adults remaining you may also be entitled to a discount. You may get a reduction on your bill if you or someone in your home is substantially and permanently disabled and you either use a wheelchair within your property or have an additional bedroom or bathroom to meet your needs. A care leaver's discount for those aged between 18 - 21 may be applicable from 01/04/2019 for those who are leaving the care of Gloucestershire County Council and who are liable to pay Council Tax.

In certain circumstances a property may be exempt from Council Tax i.e. if the owner has passed away or moved into a care home, or the property is occupied only by students or somebody suffering from a severe mental impairment. In extreme circumstances the Council has discretionary powers to reduce the Council Tax payable.

For more information about discounts and exemptions, or for an application form please visit our website: www.stroud.gov.uk, or contact us on 01453 766321.

If your application for a discount or exemption is rejected by the Council you can appeal the decision in writing. If you are still unhappy with the response to your correspondence you can then make an appeal to the Valuation Tribunal at www.valuationtribunal.gov.uk.

Unoccupied and Unfurnished Properties

Discounts can be awarded for up to six months when a property first becomes unoccupied and unfurnished or up to twelve months if it requires major renovations. Properties which have been empty and substantially unfurnished for two years or more will be charged 100% premium from 1st April 2020, increasing the Council Tax charge payable to 200%. Properties which have been empty for five years or more from the 1st April 2020 will be billed with a 200% premium increasing the total charge to 300%. From 1st April 2021 properties which have been empty for 10 years or more will be billed with a 300% premium increasing the total charge to 400%.
