- To whom it may concern ,

My name is [REDACTED] and I am a local resident of Whitminster. I have lived here for 4 years now.

I am emailing today to notify you that I object to development of site WHI012 (Land South of Hyde Lane, Whitminster) which is in fact outside of the existing development boundary and is served by an undrained single lane road that cannot support twenty houses. In addition to this, those within my household object to development of PGP1 (Land at Grove End Farm) for up to 2,250 houses as it will very sadly destroy the local character of Whitminster village and extend urban sprawl from Stroud through to Whitminster. Our local roads, shop and school cannot sustain the extended population.

Thank you for taking the time to consider these thoughts.

Kind regards.
