1.0 Purpose of the Scheme and background

1.1 The purpose of this document is to determine eligibility for a payment under the Council's Additional Restrictions Grant Scheme (ARG). The Council, as the Business Rates Billing Authority is responsible for payment of these grants.

1.2 This discretionary grant scheme has been developed by the Council in response to an announcement made by the Secretary of State for Business, Energy & Industrial Strategy made on 31st October 2020 which sets out the basic circumstances whereby an additional restriction grant payment may be made by the Council to a business which has to close or are severely affected due to localised or widespread national restrictions being put in place to manage coronavirus and save lives.

1.3 Whilst the awarding of grants will largely be at the Council's discretion, the Department for Business, Energy & Industrial Strategy (BEIS) has set down criteria which **must** be met by each business making an application.

1.4 Grants under this scheme will be available for 2021/22 only.

2.0 Funding

2.1 The Additional Restrictions Grant Scheme (ARG) aims to support businesses severely impacted by coronavirus restrictions.

2.2 Local Authorities received an allocation of the £500 million top-up to the ARG scheme in January 2021, as a result of further national restrictions being imposed. This allocation was based on a per-head calculation.

2.3 Local Authorities will receive an allocation of the £425 million top-up announced in the 2021 Budget, subject to Local Authorities spending their existing allocations of ARG.

3.0 Exclusions to Additional Restrictions Grant funding

3.1 Businesses that have already received grant payments that equal the maximum permitted levels of subsidy will not be eligible to receive funding.

3.2 Businesses that are in administration, insolvent or where a striking-off notice has been made, are not eligible for funding under this scheme.

3.3 ARG funding should not be used as a wage support mechanism, for capital projects that do not provide direct business support, or to fund projects whereby Local Authorities are the recipients.

3.4 The council reserves the right to withhold payment and has discretion to determine which businesses to support

4.0 Eligibility criteria and awards

4.1 The Council is able to use this funding for business support activities and Government envisage that this will primarily take the form of discretionary grants although it can be used for wider business support activities.

4.3 To be eligible for this scheme businesses must be registered with Companies House, HM Revenue and Customs (HMRC) for VAT purposes or for sole traders and partnerships registered for self-assessment purposes HMRC.

4.11 Government has stated that the person who will receive the grant will be the person who, according to the Council's records, was the ratepayer in respect of the hereditament at the effective date. Where there is no entry in the rating list for the business, the Council will have discretion to determine who should receive the grant.

4.12 Where the Council has reason to believe that the information it holds about the applicant or ratepayer at the effective date is inaccurate, it may withhold or recover the grant and take reasonable steps to identify the correct ratepayer.

4.13 Where, it is subsequently determined that the records held are incorrect, the Council reserves the right to recover any grant incorrectly paid.

4.14 Where any business or individual misrepresents information or contrives to take advantage of the scheme, the Council will look to recover any grant paid and take

appropriate legal action. Likewise, if any ratepayer is found to have falsified records in order to obtain a grant.

5.0 How will grants be provided to businesses?

Businesses are under an obligation to notify the Council should they no longer meet the eligibility criteria for any additional grants.

5.4 The Council reserves the right to request any supplementary information from businesses, and they should look to provide this, where requested, as soon as possible.

5.5 An application for an Additional Restriction Grant is deemed to have been made when a duly completed application form is received via the Council's online procedure.
