Expenditure Details

Neighbourhood CIL Project
Project Name: Kitchen Refurbishment Project Location: Hopkins Hall, Hillesley
Brief Description: Completely replace the current kitchen in Hopkins Hall, Hillesley. The hall hosts a range of village activities and is the only real social space in the village apart from the pub and Church. Current activities are coffee mornings, toddlers group, upholstery group and pilates. Also a large number of villagers' children's

parties throughout the year. A new improved kitchen is of great help to these and other possible hall users.

The old kitchen was in place for a number of years and was looking very tired and shabby and the configuration of units and appliances far from ideal. There was a lack of storage space for the various groups, and the sink and oven were in desperate need of renewal.

Date Project Completed: August 2024

Has the project been successful? Benefits to the community and hall users have already been huge. The new kitchen has breathed new life into the village hall and meant that JFMC would be likely to attract more bookings meaning more income and that more improvements could be made to both hall and village playground.

Amount of CIL spent on the project: £2,000

Total project costs: £8,750

Summary of any match funding secured: £6,750

Alderley Parish Meeting

*Money paid to Hillesley and Tresham Parish Council. Memorandum of Understanding received 09/04/2025 confirming HTPC's agreement to receive APM's Neighbourhood Portion to be ringfenced and spent as per APM's instructions.
