

Licensing Newsletter and Councillor Licensing Handbooks

Licensing Newsletter – July 2015

A newsletter has been sent out by the Licensing Section to all our licence holders under the Licensing Act 2003 (alcohol, entertainment, and late night refreshment). The newsletter includes the following:

- Details about how to make comment on our draft licensing policies
- Explains that they no longer need to renew their personal licences as they now last indefinitely
- Information about the new exemptions for regulated entertainment

Below are the links on Stroud District Council's website to the newsletter and the fact sheet about regulated entertainment exemptions:
