Dear Mr Russell

**STROUD DISTRICT COUNCIL'S LOCAL PLAN - MARCH 2014 ADDENDUM  
REPORT TO LEVEL 2 STRATEGIC FLOOD RISK ASSESSMENT**

Thank you for consulting us on the March 2014 Addendum Report to the Level 2 Strategic Flood Risk Assessment (SFRA). The report has been undertaken to take account of updated flood risk data for 3 of the proposed allocations in the Plan (SA4, SA4a and SA5a).

We concur with the findings and recommendations of the Addendum Report. We consider it is a robust document that together with the March 2012 SFRA completes the SFRA evidence base for the Stroud Local Plan.

Yours sincerely

**Ms Ruth Clare  
Planning Specialist**
