Community Investment Grants for the Voluntary and Community Sector for 2017/20

This grant scheme helps with the core running costs of the voluntary and community organisations.

In 2017/18 £306,500 has been allocated to 34 organisations. This is a 3 year grant programme, and we will aim to fund these same organisations over that 3 year period providing that the budget is approved at the annual budget meeting each year.
