

Equalities Act 2010

In producing the KNDP the steering group were mindful of the Equalities Act 2010 and the protective characteristics as follows;

- age;
- disability;
- gender reassignment;
- marriage and civil partnership;
- pregnancy and maternity;
- race;
- religion or belief;
- sex;
- sexual orientation.

The NDP Steering Group took all of the above in to account but in line with the demographic make-up of Kingswood took particular regard to age and disability. This has been reflected in the policies produced.
