# Free energy support

Need some simple steps to stay warmer at home without pushing up costs? Gloucestershire residents can get free support through the **Warm & Well** service, run by energy charity Severn Wye.

The friendly experts on our free adviceline offer confidential, impartial advice tailored to you and your circumstances.

We can help you access **funding for home energy improvements** including insulation, boilers, and renewables.

We offer **face-to-face support with energy debt**, supplier complaints, tariffs and repayment plans.

Feel safer at home through the Priority Services Register and carbon monoxide awareness.
