Good Afternoon

I am a resident of Whitminster village and I wish to register my objections of the following two developments for the reasons i have identified as follows,

1. Site WHI012 (Land South of Hyde Lane, Whitminster)

I object to development of this site which is well outside the existing development boundary and is served by an undrained single lane road that is not able to properly support twenty houses.

2. PGP1 (Land at Grove End Farm) for up to 2,250 houses)

I object to development this site as I feel it will destroy the local character of Whitminster village and extend urban sprawl from Stroud through to Whitminster.

Yours sincerely
