Agenda Item 8 Strategy and Resources Committee

Member Questions

Question from Councillors Steve Robinson and Sue Reed	Question to Councillor Doina Cornell, Chair of Strategy and Resources Committee
Q1 'Each market town has its own identity. Are Strategy & Resources and officers open to investigating different models and charges for car parking for each market town?'	We acknowledge that each market town has its own identity. However, the car park occupancy surveys show that there is limited parking to cope with demand and therefore further regulation is proposed to ensure that the provision is best placed to cope. If different models are suggested during the consultation period these will be considered and reported back to Strategy and Resources committee as part of the consultation feedback.
