

## PETITIONS RECEIVED BY STROUD DISTRICT COUNCIL SINCE JANUARY 2017

<b>Petition Title</b>	No parking charges in Nailsworth
<b>Petition Words</b>	We call upon Stroud District Council to scrap the introduction of car parking charges in the Nailsworth area. Nailsworth is a destination town, people from far and wide come and visit for the great restaurants and cafes, the niche boutique and home stores and the farmers market. Car parking charges cannot be used to reduce the Council Tax, any surplus can only be used for improvements to car parking and – ironically – business promotion.
