If any further amendments are proposed, the Council should ensure firstly, that such amendments do not duplicate other legislation (for example in relation to health and safety at work or fire safety) and secondly, that nothing in the statement attempts to prevent any application from being considered on its own merits (for example, blanket statements as to where gambling premises will and will not be permitted). 1 Introduction

- 1.1 Under the Gambling Act 2005 the Council, as the Licensing Authority, is responsible for issuing and enforcing licences, permits and notifications under the Act. These include:
- Licences for premises where gambling activities take place such as betting shops and arcades.
 - Permits and notifications for gaming machines.
 - Registrations for small society lotteries.
- 1.2 Stroud District has only a small number of licensed premises under the Gambling Act 2005. These are 6 Betting Shops and 2 Adult Gaming Centres. In addition there are 2 Family Entertainment Centre Permits, 10 Club Gaming Machine Permits and 4 Licensed Premises Gaming Machine permits. There are no licensed Bingo Clubs or Casinos within the District. Currently the legislation does not allow for a new application to be made for a Casino in Stroud District. There have been no hearings with regard to the Gambling Act 2005 at Stroud District Council.

2 Background

- 2.1 Section 349 of the Gambling Act 2005 requires that the Licensing Authority shall, before each successive period of three years, prepare a Statement of Principles that they propose to apply in exercising their functions under the Act and they must publish that statement.
- 2.2 The Act also states that, in preparing the Statement, the Licensing Authority shall consult with the Police, persons representing persons carrying on gambling businesses and those affected by such businesses.
- 2.3 Section 154 of the Act provides that the function of revising the Statement may not be delegated to a Committee. This means that the decision to adopt a revised Statement must be made by full Council.

3 Review of current Statement of Principles

3.1 Stroud District Council's current Statement of Principles has effect until 30th January 2019. The current Statement has been reviewed and updated by the Principal Licensing Officer to produce a draft revised Statement of Principles.

3.3 The main proposed revisions in the draft are:

- More detail on what the Council expects applicants and licence holders to include in their local risk assessment
