

The Planning Strategy Team

Stroud District Council

GL5 4UB

Dear Sirs,

Local Plan Glebe Farm, Minchinhampton, Policy PS05

It seems quite clear, reading this proposal, the only winners are the developers. Everyone else in the community are the losers.

- A. It is not in accordance with the Minchinhampton Housing Plan. Minchinhampton already has the requisite number of houses.
- B. Access is a serious problem in this area as is the general overstretch of facilities to the detriment of local residents. i.e. the School, the Surgery, the parking etc.
- C. The whole proposal is not in the spirit of sound, intelligent, sympathetic development and it will also impact the anob in the area.
- D. By all rights, this application should be stopped.

We would like to have the opportunity to express our views and to be heard by the Inspector at the appropriate time.

Yours faithfully
