Dear Ms O'Leary

Stroud District Local Plan Review Examination

1. Thank you for your letter dated 5 May 2026 regarding the additional questions to Matter 11 (published 25 March 2026). We have carefully considered your response alongside those from the other organisations who were consulted. Having reflected on all the responses and the issues raised, we consider it necessary to hold a further hearing session as soon as possible, so that we may discuss these. This session will focus on the updated strategic transport evidence and recent responses.
2. The Programme Officer will be in touch with you shortly, to arrange a virtual hearing session. Participation will be limited to representatives from Stroud District Council, Gloucestershire County Council, South Gloucestershire Council and National Highways to reflect the focused discussion that is necessary at this time. The public should be able to view the session online. We wish to hold the session as soon as possible during July/August, subject to the availability of participants.

Once the date is set, we will issue an agenda. In the meantime, this letter should be placed on the Examination webpage upon receipt.

Yours sincerely,

Victoria Lucas and Yvonne Wright
