This new housing development will have more than 1000 houses as far as I gathered. I would like to know what is the developing amenities in this are please. Will it there be a bus service to stroud via Ebley and Bus to Gloucester/ Cheltenham. (at least to Stroud like Bus number 67) I am looking to buy a big house here due to my growing family unfortunately I don't drive and SDC will not grant permission to extend Any properties which I wish.....I am a full time worker and my job is very important to pay the mortgage. I hope you will consider bus service which can benefit 8 am, 9 am starters and those who works 12 hours shifts like me. Please kindly provide me the information . Thanks. [REDACTED]
