Provide a general description of the premises

Continued from previous page...

For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.

The Cider House is a small, purpose-built premises located on an agricultural holding. It is a replica of a traditional 1880s cider house typical of the local area, constructed using reclaimed materials from the period.

The building has been designed to reflect its agricultural setting in terms of scale, materials, and appearance. The site is accessed via an existing drive, with on-site parking provided. The location is separated from residential properties reducing the potential for disturbance and making the site suitable for low-impact use.

Layout and Use of the Premises

The premises comprises a single-storey cider house building used primarily and predominantly for the production, maturation and storage of cider. Public access to the building is limited and does not form part of the normal use of the premises.

The majority of the internal space is occupied by cider-making equipment and storage, with a small, ancillary seating area provided solely for limited use. The internal layout is functional and compact, designed for a small number of visitors and allows for clear visibility and supervision.

On occasional pre-arranged heritage or educational days only, the press, and other heritage equipment, may be demonstrated. On these occasions, access will be strictly controlled and supervised, with members of the public restricted to clearly defined areas.

An outdoor area is located immediately adjacent to the building and forms part of the licensed premises. This area is intended primarily for educational visits and tastings related to traditional cider production, orchard preservation and heritage equipment, and secondarily for customers purchasing cider and perry from the premises. The outdoor area remains in close proximity to the building, allowing for effective monitoring at all times.

Licensable Activities

This application seeks permission for the sale of alcohol for consumption on the premises. Alcohol sales will be limited to cider and perry primarily produced here.

The application also includes off-sales of alcohol, limited to cider and perry primarily produced on the premises. Off-sales will include sales to customers attending the premises in person, as well as sales fulfilled via mail order. Customers are not permitted to consume off-sales on site.

Events and Occasional Use

The cider house will be used occasionally for events such as tastings, and heritage events. These events will be limited in frequency and size and will operate within the licensed hours.

Summary of Intent

The aim of this application is to enable the cider house to serve and sell cider and perry in order to support its primary function of cider production, while also facilitating small-scale educational activity relating to traditional cider making, heritage equipment, and orchard preservation. The premises will remain low-key, rural, and agricultural in character, with the sale of alcohol playing a secondary and complementary role rather than being the primary purpose of the venue.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

The premises will be operated in accordance with the four licensing objectives and the requirements of the Licensing Act. Clear procedures are in place for dealing with incidents and emergencies. The operation of the premises will be conducted in cooperation with the police, licensing authority and other responsible bodies to ensure it is run safely, lawfully and with consideration for the local community.

b) The prevention of crime and disorder

A Challenge 25 policy will be in place, and alcohol will only be sold to people aged 18 or over. The premises will be operated in a responsible manner, with alcohol served and monitored carefully, customer behaviour actively managed, and a clear zero-tolerance approach to intoxication, drugs, and disorder.

c) Public safety

Continued from previous page...

The premises will comply with all relevant health and safety, fire safety, and food hygiene legislation, with safe capacity limits observed, facilities maintained in good order, risk assessments undertaken, and appropriate emergency arrangements in place.

d) The prevention of public nuisance

The rural location and distance from residential properties reduces the likelihood of public nuisance. Outdoor areas will be actively managed, particularly during the evening, to ensure noise and litter are kept to a minimum. Signage will remind customers to respect the countryside setting and to leave the site quietly.

e) The protection of children from harm

Children will only be permitted on the premises during occasional, pre-arranged events such as open or heritage days, and only when accompanied by an adult. Age verification procedures will be followed, and alcohol will be stored and served responsibly at all times.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- any page containing the holder's photograph;
- any page containing the holder's signature;
- any page containing the date of expiry; and
- any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
