Dear Sir/Madam.

I'm a resident of Whitminster village and I object to development of site WHI012 (Land South of Hyde Lane, Whitminster) which is well outside the existing development boundary and is served by an undrained single lane road that cannot support twenty houses.

I also object to development of PGP1 (Land at Grove End Farm) for up to 2,250 houses as it will destroy the local character of Whitminster village and extend urban sprawl from Stroud through to Whitminster. It will no longer be a village and the size of the development is totally out of proportion to the infrastructure and nature of the current village.

Kind Regards
