5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

These representations have been prepared by Black Box Planning on behalf of Taylor Wimpey (TW) in respect of the land interests at site G2: Land at Whaddon. TW have majority control over land (130 ha) at Whaddon, with neighbouring promoters L&Q controlling land to the north (previously Hallam Land) and Newland Homes controlling a small proportion of the site fronting Grange Road. All parties have been working jointly in respect of the emerging strategic allocation at Whaddon to ensure a comprehensive approach is taken to the masterplanning and deliverability of the site and associated infrastructure.

**Core Policy CP9: Affordable Housing**

TW support the provision of affordable housing within its development schemes and in that regard raise no objection to policy CP9. However, the final sentence of the policy is considered vague where it refers to 'other factors'.

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

TW submit that the final sentence of policy CP9 be modified as follows;

*'The Council will negotiate the tenure, size and type of affordable units on a site by site basis, having regard to housing needs, site specifics and other factors **including viability where necessary.**'*

**Please note** In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

**After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.**

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

**No**, I do not wish to participate in hearing session(s)

**Yes**, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

TW control a majority proportion of the strategic site 'G2' Land at Whaddon. On behalf of TW, Black Box Planning request attendance at the hearing sessions to assist the Inspector with any queries or discussions regarding the site at Whaddon and to partake in general discussions regarding affordable housing.

***Please note*** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
