4.(1) Legally compliant	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>
4.(2) Sound	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>

Please tick as appropriate

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

1. Detailed reports & objections to PS37 have been supplied to SOC by Slinbridge Parish Council & WAG. The following comments are more subjective.

2. SOC seem to have a policy of building anywhere in the District with the exception of the town of Stroud, the natural centre of the District.
3. The PS37 site appears to be a method of "dumping" houses next to a motorway & railway without any concern for the well-being of potential residents.
4. The M5 is on a raised bank adjacent to the PS37 site. Barriers & fences are unlikely to reduce the noise & air pollution.
5. I am very concerned that the high pressure gas main that traverses the site will be dangerous to the residents.
6. I understand no recognised developer has put forward this site. Is this because of the many problems, that would preclude a developer from making a profit.
7. I also understand PGP1 & PGP2 have been rejected by SOC in favour of PS37. It would be interesting to understand the rationale behind this decision.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

**No**, I do not wish to participate in hearing session(s)

**Yes**, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

N/A

**Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
