## Section 18 of 21

### LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

This event will be in it's tenth year (although there was a 2 year break for Covid) and again will be planned and implemented by the entire community and the ever growing pool of volunteers. This includes the local playgroups, primary, junior and secondary schools, church groups, scouts and guides, youth clubs, the Church Rooms Committee and WI. It has the backing of Chalford Parish Council, the schools, churches, youth groups and local charitable organisations as well as the community as a whole. We aim to make the four licensing objectives the centre of all our planning. We will hold monthly meetings from the moment the licence is granted and set up again various groups for Health and Safety, Stewardship, Children's Welfare. Being our tenth year we have a much larger group of ably qualified people wanting to help out this time We will again work with the SAG team in ensuring a truly inclusive and safe event. These additional measures were agreed for previous events and will be adhered to in 2026, 2027 and 2028

1. The event shall be operated in accordance with the Event Management Plan (EMP). A draft EMP has been submitted for 2026
2. The Premises Licence holder will ensure that a Challenge 25 policy is in place.
3. The Premises Licence holder will ensure that only festival attendees who have a ticket are allowed to gain entry to attend the event.
4. Stewards will patrol the surrounding area to ensure that people are not causing a nuisance.
5. The Premises Licence holder will ensure that the event will finish promptly at 21:30 and that the site is cleared of the public by 2200hrs.
6. The Music Noise Level when assessed or measured during sound checks or concerts shall not exceed 65 dB LAeq,15min at 1 metre from the facade of any noise sensitive premises throughout the duration of the event.
7. Furthermore, the Music Noise Level shall not exceed 70 dB in either of the 63 Hz or 125 Hz octave frequency bands at 1 metre from the facade of any noise sensitive premises throughout the duration of the event.
8. The licensee shall appoint a suitably qualified and experienced noise control consultant (NCC), to the approval of the Licensing Authority, no later than 6 weeks prior to the event. The NCC shall liaise between all parties including the Licensee,

**Continued from previous page...**

**b) The prevention of crime and disorder**

We will use our 2026 Event Management plan as our starting point for the prevention of crime and disorder. We will use RS security again who will oversee the management of security on the site supported by an appropriate and agreed number of paid marshalls, each of whom will receive training in what to identify and actions to take when it comes to crime and disorder. We will again appoint a Security Manager (Andy Haynes) who will be the main point of contact moving forward. Again, we will use a radio and PA system to monitor any concerns and aim to manage each situation before crime and disorder becomes an issue. There will be Challenge 25 policy at the bar

**c) Public safety**

Again this will be a ticketed event. All residents of the area will be entitled to concession tickets. No-one will be allowed on site without a ticket. We will have Heras fencing around the site with separate entry and exit points. There will be appropriate access for people with a disability. Dogs, other than sight dogs, will not be allowed on site. All contractors will have appropriate public liability insurance. The organisers will also organise public liability insurance for the event. Any persons providing food and beverages will be registered with their local authority, have a food hygiene certificate and public liability insurance. As with previous events we will pay Stroud Council to come and inspect the food traders on our behalf and test the water as suitable for drinking. There will be a full Health and Safety policy and procedures in place with a designated Health and Safety supervisor. Security and Stewards will also monitor and ensure public safety in accordance with the Health and Safety plan which will be agreed with Stroud Council and emergency services. Mendip Medical Services will provide medical cover. There will be access points for any emergency services.

**d) The prevention of public nuisance**

We will monitor noise levels using a decibel counter and will agree noise levels with Stroud District Council and the Police. The event will close at 2130 promptly. Stewards will also patrol the surrounding area and ensure people are not causing a nuisance in the local area. We will organise buses to transport people to the site as parking around the site will not be permitted other than for people with a disability. The site will be erected and dismantled with minimal noise and at times that are not considered unsociable. Again, the organisers will work with the local police and community groups to manage the risks of public nuisance. Security will be on site for longer hours during the build and overnight for the week before.

**e) The protection of children from harm**

There will be a 'lost children's tent' that will be managed by people with a Disclosure Barring Service certificate. These will be documented. The children's entertainment area will have a higher ratio of stewards to participants. All people performing in the children's area etc will have a DBS certificate kept on file. The bar will operate a 'Challenge 25 policy'. Each child entering the site will be given a wristband on which parents can write their mobile number in permanent marker. Any children performing will be chaperoned by appropriately trained guardians.

**NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK**

*Continued from previous page...*

### **Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

### **Documents which demonstrate entitlement to work in the UK**

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].

- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

**Continued from previous page...**

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
  - evidence of the applicant's own identity – such as a passport,
  - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
  - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
    - (i) working e.g. employment contract, wage slips, letter from the employer,
    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
    - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

***Continued from previous page...***

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

**Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
