

Railway viability report...

Councillors considered the Local Plan at meetings of Environment Committee on 20 April 2021 and Council on 29 April 2021 and by majority vote approved the Regulation 19 Consultation with the HRA information available to them at that time.

If you feel the current draft plan is not legally compliant or sound you can submit your comments through the consultation which will be passed to an independent inspector who will consider your views.

Working together to make Stroud district a better place to live, work and visit
